Subject: Dimock IDW - Waste Profile

Hi Rich,

We are coordinating the disposal of the drum of IDW from Dimock. We have a disposal firm identified and as part of the process we need to prepare a waste profile. We have it completed and it needs signed by you. Once it is signed a manifest will be generated, which will then be sent to you for signature. Please review and sign the attached waste profile. A scan copy with your signature will be acceptable.

Please let me know if you have any questions.

Thanks,
